TOEIC Speaking & Writing Online Practice Test (SWOPT)

Software and Hardware Requirements

Operating System: Win 2000 or XP
Processor: Pentium III 733 MHz (or higher)
200kbit/sec or faster (broadband) Internet connection to the testing workstation
Windows Media Player : Latest Version, 9 (or higher)
Browser: Microsoft Internet Explorer 5 (or higher)
Sound Card: 44.1 KHz (or better) sample rate
RAM: 256MB
Free Disk Space: 150MB
Monitors that can have the resolution set to 1024 X 768, 65,536 colors
Headphones w/ ready to record built-in microphone
Each PC must be logged on with Administrative rights in order to allow a small download to install

To ensure that your computer has these minimum requirements, please go to the log in page, and click the link “*Center Check*” in the right hand column. This will run a check for the minimum requirements. If your computer does not meet the minimum requirements, the test will directly give you the option to download any necessary software you may need. If adding software is not an option, the test will tell you exactly what the problem is or direct you to technical support.

If you have any technical questions, please contact tech support at:
